

# Connecting You To Smarter Procurement

## Construction Capability Statement

### Who We Are

Lotus Connect is a certified MBE/DBE authorized distributor that helps GCs, subcontractors, and facilities teams source, onboard, and sustain materials and gear through approved, compliant channels. Our four-step integration process and \$82M in purchasing power move products into jobsite supply chains fast—without sacrificing transparency or control.

### Core Capabilities

#### Procurement-as-a-Service (PaaS)

Operate as your outsourced procurement arm—or collaborate directly with your project management team.

#### Strategic Procurement Management

Comprehensive sourcing and supplier coordination to ensure material availability and pricing transparency.

#### Material Storage & Staging

Flexible warehousing options to keep projects on schedule and avoid costly delays.

#### Cost & Budget Control

Streamlined purchasing processes that reduce waste, optimize spend, and support project profitability.

#### Logistics & Delivery Solutions

Nationwide fulfillment and secure transport to ensure on-time material delivery to any job site.

### NAICS CODES

#### NAICS 23611—Residential Building Construction

- Masonry units & accessories
- CMU, pavers, stone
- Mortars, grouts, ties
- Weatherproofing products

#### NAICS 423390—Other Construction Material Wholesalers

# Connecting You To Smarter Procurement

## Construction Capability Statement

### Key Differentiators

#### End-to-End Procurement Partner

We handle sourcing, vendor management, logistics, and delivery—reducing complexity across your entire supply chain.

#### Industry-Specific Expertise

Deep understanding of construction procurement, compliance standards, and materials management.

#### Flexible Engagement Model

Work with us as a full outsourced procurement arm or an integrated partner supporting your internal team.

#### Operational Efficiency Focus

Every solution is designed to reduce downtime, eliminate waste, and accelerate project timelines.
