Healthcare Capability Statement

Who We Are

Lotus Connect equips hospitals, clinics, public-health agencies, and care networks with compliant, contract-ready sourcing. As a certified MBE/DBE authorized distributor, we integrate through a documented four-step process and leverage \$82M in purchasing power to move critical supplies into care settings—fast and transparently.

Core Capabilities

Comprehensive Medical Supply Procurement

We source and deliver a full range of healthcare products, including advanced wound care, diabetic and diagnostic supplies, lab equipment, home medical equipment, and facility essentials.

Specialty Product Sourcing & Distribution

Our global supplier and distributor network allows us to fulfill both everyday needs and hard-to-find medical products with reliability and speed.

Procurement Process Optimization

We help facilities streamline procurement workflows—reducing costs, improving inventory control, and minimizing supply-chain risks.

Compliance-Driven Expertise

Our experience in both public and private healthcare sectors ensures every purchase aligns with regulatory, safety, and operational standards.
